

This summer we have experienced several exciting ministry opportunities!! Two teams from Colonial Baptist Church in Cary, NC have ministered with us to impact hundreds of lives for Christ. VBS, public evangelism, teaching, medical clinics, construction projects, and prison ministry were just some of the ways that these two teams impacted lives. Our medical clinic attended to over 550 patients. Each one of these patients had the opportunity to hear the message of the Gospel. We are thrilled to share with you that over 120 salvation decisions were made for Christ!!!! Praise the Lord!!

We would like for you to prayerful consider partnering with us in a

fundraising endeavor. We have recently purchased a new four wheel drive truck which will allow us to travel to prisons and towns both in Kenya and Uganda that previously we were unable to reach. In addition, this vehicle will aid the current ministry with more reliable transportation for the students and volunteers over difficult terrain. The conversion for this vehicle from a 3 person bench seat to a 9 passenger van will cost approximately \$14,000. We need your help to raise this money. Will you prayerfully consider donating a minimum of \$25 for this project? You can donate through our website. The link is provided below. Our desire is to raise these funds within the next few weeks.

Thank you for your many prayers for our ministry!!! God is doing amazing things in Eastern Africa!!

In addition, our guests were impressed by the facilities, administration, teaching staff, and students. We rejoice that this 10 year project has moved into the next phase of operation.

It has been because of your generous support and prayers that we could accomplish these amazing, God-honoring goals. However, our work in Kenya has just begun. Our desire is to complete a church for Pastor Robert and his congregation in 2016 at Katali. In addition, we desire to continue to build the school at Mosoriot. Our land has been purchased and the main building is more than 50% complete. Prayerful consider supporting these two worthy endeavors. We covet your prayers as we continue to serve our wonderful Savior in Kenya!

In His service,

Dr. Andrew Burggraff
